Related Categories: Current Articles, Research Resources

In this weekly post, we feature helpful research tools and recent articles of interest to the legislative community.

- Read about [blood lead screening tests](#) in Medicaid-enrolled children in five states. (U.S. Department of Health and Human Services, Office of Inspector General, October 2021)
- Track CDC investments in combating [antibiotic resistance](#) by state. (Centers for Disease Control and Prevention, accessed October 28, 2021)
- Compare the [costs](#) of driving electric vehicles versus driving internal combustion engine vehicles. (Anderson Economic Group, October 21, 2021)
- Consider which [harmful chemicals](#) may be present in certain fast food items. (*Journal of Exposure Science & Environmental Epidemiology*, October 27, 2021)

Librarians review and select articles from more than 1,000 print and online sources to compile a weekly annotated list of Current Articles of interest to the legislative community. View this week's [Current Articles](#).

Members of the Texas legislative community may request articles by using our [online form](#) or by calling 512-463-1252.
